

CAREX – PATIENT CONSENT PACKET

State of Ohio • HIPAA • OAC 5160-1-18 • ORC 3701 • ORC 5122.31 • 42 CFR Part 2

PLEASE PRINT CLEARLY

1. Patient Information

Patient Name: _____

Date of Birth: _____ Date: _____

Phone: _____ Email: _____

Emergency Contact: _____

Phone: _____

Primary Care Physician: _____

2. Telehealth Location Verification

I agree to share my location at the start of every telehealth visit. If my location changes during the visit, I will tell my provider. I understand that my location may be used to get help to me in an emergency.

Location for today's visit: _____

City/State/Zip: _____

Type of location (home, clinic, school, workplace, other): _____

Patient Signature: _____ Date: _____

3. General Consent to Treat

I voluntarily consent to routine medical and behavioral health services provided by CAREX, including examinations, diagnosis, treatment, and the use of telehealth or remote diagnostic tools.

I understand that:

- Providers or supervising clinicians may be in another city, county, or state.

- Trained technicians may assist under licensed provider supervision.
- I may refuse or withdraw consent at any time.

Patient Initials: _____ Date: _____

4. Telehealth & Remote Device Consent

I consent to receive care through telehealth, including video, audio, chat, and remote monitoring. I authorize the use of remote devices such as Bluetooth stethoscopes, otoscopes, and other FDA-approved tools.

I understand:

- Telehealth has risks, including technical failures.
- Data may be transmitted electronically in encrypted form.
- Technicians may operate equipment and view information, but they do not interpret medical information.
- Telehealth sessions may be recorded, and data may be stored in other HIPAA-compliant systems.

Patient Initials: _____ Date: _____

5. Security Incidents

If any breach, unauthorized access, or device issue occurs during telehealth, the provider will pause the visit, secure the system, and notify you if your information is affected. Care may continue by phone, in-person, or be rescheduled.

Patient Initials: _____ Date: _____

6. Notice of Privacy Practices

How CAREX protects your information.

Your rights under HIPAA and Ohio law include:

- Requesting records or corrections
- Requesting restrictions on sharing
- Confidential communication options
- Protection for substance use information under 42 CFR Part 2
- Additional protections for minors under Ohio law

Our Responsibilities

We are required to:

- Maintain the privacy of your protected health information (PHI)
- Provide you with this Notice upon request
- Notify you in case of a breach of unsecured PHI
- Follow the terms of this Notice

How We May Use and Disclose Your Information

We may use/disclose PHI for:

- Treatment
- Payment
- Healthcare operations
- When required by law for:
 - Public health and safety
 - Court orders and subpoenas

Patient Initials: _____ Date: _____

7. Release of Information (ROI)

I authorize CAREX to release information for treatment, billing, and healthcare operations and care coordination. Substance-use treatment information (42 CFR Part 2) requires separate written consent.

Patient Initials: _____ Date: _____

8. Authorization to Charge & Financial Responsibility

I authorize CAREX to bill my insurance for services provided. I understand I am responsible for copays, deductibles, coinsurance, and any non-covered services. I agree to provide accurate insurance information and notify CAREX of any changes.

Insurance Company: _____

Member ID: _____ Group #: _____

Insurance Phone: _____

Name on Insurance Card: _____

Insurance Address (if available): _____

9. Behavioral Health Consent and Authorization

I understand behavioral health information is protected under ORC 5122.31 and provide consent and authorization to:

- Psychological testing
- Behavioral assessments
- Medical screenings
- Use of standardized tools

Patient Initials: _____ Date: _____

10. Minors (If Applicable)

For minors, the parent/guardian provides consent unless limited by law. Some services may be confidential for minors under Ohio law.

Parent/Guardian Name: _____

Relationship: _____ Date: _____

11. Final Acknowledgment & Signature

I acknowledge that I have read and understand this Patient Consent Packet and agree to the terms.
I understand this consent applies to all CAREX providers, including those located in other states.

Patient Signature: _____ Date: _____

Printed Name: _____

Parent/Guardian Signature (if minor): _____
